Subject: June meeting notes

Worship Team meeting called to order by Ritchey Cable, Pastor, at 7 pm. Also in attendance at Zoom meeting were Chuck Leedle, Jeff VanDerWeele, Sarah Sporrer.

Discussion Topics were:

1. Chuck: 1) The Baldwin baby grand piano needs service and the hammers need to be replaced at a cost of around \$2K with additional cosmetic work on keys at around \$200. An alternate option would be to buy Kelly Hackelman's refurbished Steinway for \$30K. It was proposed to make the repairs using \$1250 in budget for repairs and remaining from other line items. The team will need to approve this expense as it exceeds \$500; 2) other potential expenses include the following-Chuck will be starting up choir and may need some new music and Bill is researching a different mic for the choir; 3) Chuck will be gone 7/25 with Mark L. to cover, 8/1 with Mary Beth to cover, and 8/29.
2. The hiring of a replacement, Ellie Brown, for 2nd service worship leader is nearly completed. Media and Worship Leader will be combined into 1 position. She will begin worship leader position on 7/18.
3. Discussion of Book of Daniel, Chapters 1-6, sermon series. Pastor Ritchey explained the difference between preaching and teaching.
4. There is discussion at the Session level concerning encouraging the return of people to in-house worship. It was stated about 85% are back from pre-covid shutdown numbers.
5. Jeff: brought up need to schedule reciting of the Apostle's Creed as previously agreed would be every 6 weeks.

Meeting adjourned at 7:35 p.m.
