

At Gashland EPC, our mission is to reach our community in the Northland and beyond for Jesus Christ. God has blessed us with a beautiful facility to use as a catalyst for ministry, a body of believers hungry to participate in the great commission, and most importantly, the Gospel message to change the world.

It's been placed upon our hearts that if we were able to pay off the remainder of our mortgage and become free from that financial burden, we would have new and unique opportunities to reach our community and further the kingdom in greater ways.

So we are launching "*Debt Free in 23*," a debt relief campaign designed to have our mortgage paid off in the next 1-3 years. If you would like to be a part of helping us become mortgage free, we would love for you to contribute to this financial goal.

Why execute a debt relief campaign?

- o Mortgage debt limits our ability to fund greater ministry outreach.
- o Financial freedom creates opportunities to share the gospel in new ways.
- o Generous donors have kickstarted the campaign, leaving us with an achievable goal.

What can you do to support the campaign?

- o Pray about how to give additionally, above your current giving.
- o Pledge as you feel led by the Holy Spirit.

How to get involved?

- o Complete a pledge card.
- o You can choose to make a one time contribution or multi-year pledge.

We just ask that you prayerfully consider if you can give to help this campaign and if so, by how much. You can make a one-time contribution or pledge to give on a monthly basis over the next 3 years. If you are interested in giving, pledge cards will be mailed to your home and available at church.
