

HELPS Meeting

October 3, 2022

Present: Debbie Failing, Linda Reeve, Diane Fry

Opening Prayer: Linda

Fall Festival:

The Relationship team contacted us to help set up five tables and prepare two Igloos of water. Chris and his team will set up the tables and Linda and Debbie will prepare the water.

Thank You Bags:

The team agreed to hand out thank you bags again this year to our volunteers to show them how much we appreciate them. The team discussed the items to go into the bags. Each team will bring a list of names of their volunteers to determine the number of bags needed.

Teams:

Recruiting volunteers is always on-going. At this time each team is functioning fair for volunteers. But there are still many slots open and times when a volunteer quits or unable to serve their day.

PR Table:

A display table of Helps/Mercy information will be set up again. The main purpose of the display table is to keep in mind the activities of the Helps/Mercy teams before the congregation.

Future Events:

The sooner we know the times and dates of events would make recruiting volunteers much easier. Example would be the dates and times of the Christmas services.

Closing Prayer:
