

HELPS TEAM MINUTES
03-05-2024 7:00AM

Present: Dave Smith, Debbie Failing, Linda Reeve, Dan Scheneman

Absent: Chris Stackpole

Dave spoke about Conversations:

Conversations is doing well, but still could use a couple more volunteers for setup. Signs have been posted in the lower-level restrooms indicating the showers are for use by GEPC members only, all others need to contact the office for prior approval.

He will check with Michael about future guided teaching.

Linda talked about FirsTeam:

FirsTeam could still use some more volunteers for subs and to fill in the weekly schedules. She will also check with the office to see if Easter services have been scheduled to ensure team coverage, especially for a potential sun-rise service.

Debbie spoke about the Coffee team:

She researched for a new coffee machine, but has held off moving forward until she can find out if the upstairs coffee bar will be remodeled. Her coffee supply continues to be used by unknown teams as it is low again. It is fine if it is used, however, please let her know in advance so she can plan quantity for making orders.

The team discussed the annual volunteer appreciation program for this spring/summer. Ideas are to be brought next month for a decision on the program. Last year's picnic was a success and is in the running so far. Dan suggested also listing all volunteers in either / both the Link / Porch for the whole congregation to see. It would instill a little pride and appreciation for the volunteers.

Next Meeting 04-02-24 7:00 AM
