

## HELPS TEAM MINUTES

DATE:08-07-2023

ATTENDING: Chris Stackpole, Debbie Failing, Diane Fry, Linda Reeve, Dave Smith

Items Discussed:

1. Diane stated that Conversations was starting on September 13<sup>th</sup>. She noted that Lake McGinty may be assisting Pastor Michael due to Michael's increased pastoral load.
2. Chris indicated that Monday for meetings were going to become difficult due to his work schedule. It was agreed by all that the new meeting day will be on the first Tuesday of the month. Chris gave an update on his chair team and technology. All was running well and more assistance may be needed after Pastor Ritchey leaves.
3. Debbie indicated no issues with the coffee team and the volunteers were doing great. She said the cabinet under the sink along the south wall in the upstairs kitchen was very damp. After the meeting Debbie and Dave inspected the area and found it to be in a state of dampness and drying cycles. Dave said he would email the property team.
4. Linda suggested that the hearing devices be promoted in the link. She also said that the FirsTeam still needed volunteers as they are growing. She would like to have enough volunteers so that volunteers would only have to serve one Sunday a month. It was noted that the teams need to make sure bulletins and other trash items are removed from the pews after the service.
5. Diane suggested that the need for more volunteers for FirsTeam and potentially Conversations be addressed in an upcoming Link. Dave said that he would be sending out an email to last year's Conversations teams to determine their intent to return or decline by Sunday, Aug 20<sup>th</sup>. He will have a better idea of volunteer needs after then.

Nothing further.
