

HELPS TEAM MINUTES
12-05-2023 7:00AM

Present: Dave Smith, Debbie Failing; Chris Stackpole Linda Reeve

Absent: Diane Fry

Chris talked about the Chair Team:

They are doing well; the Women's Tea went well. Next year the diagram needs to be better visible for set up instructions. He is going to monitor chair prices throughout the year in order to present a firm quote to the Property Team for replacement. He is securing team members to set up chairs for the combined Christmas Eve service. Linda requested some extra chairs be set up in the NW corner of the Ministry Center for FirsTeam members' use during services.

Linda talked about FirsTeam:

She will be asking for volunteers this week to cover the two candlelight services. Training in Jan / Feb is still on the list to do. Debbie volunteered herself and Trent to be door monitors in the upper level for the 1000 Christmas Eve combined service.

Debbie spoke about the Coffee team:

She said her team would be responsible for watering the real / alive plant in the walkway by the upstairs kitchen. Coffee teams are doing well.

Dave spoke about Conversations:

Discussed future budget request for another table cart. Chris said that if one is obtained, there would have to be some room made in the storage room to be code compliant with the sprinkler system clearance. He suggested that we may need to get rid of the old metal stage set up, that was replaced with the current wooden one.

Next Meeting 01-02-24 7:00 AM
