

HELPS TEAM MINUTES
03-05-2024 7:00AM

Present: Dave Smith, Debbie Failing, Linda Reeve, Dan Scheneman
Chris Stackpole

Dave spoke about Conversations:

Dan graciously agreed to split Conversations management with Dave. He will take over weeks 3 and 4.

Linda talked about FirstTeam:

FirstTeam was quite busy with the Holy Week services. Everything went very well. Any more volunteers would be helpful. This would allow volunteers to work only one weekend a month.

Debbie spoke about the Coffee team:

Elios is no longer selling Candace's coffee, for unknown reasons. They are now selling Ethiopian coffee. Candace only sells to distributors. She will see how the new coffee goes over. If not well, she will pursue other purchase options.

Chris spoke about Chair Team and IT Issues:

The Chair team is going well. Due to Google beginning to no longer support Nest and other cloud issues, the IT team is planning incremental changes to the Church's IT infrastructure. The plan, implementation schedule and budget are being discussed with the Session.

The team discussed the annual volunteer appreciation program. The date for this has been set for Saturday, April 20th, from 4:30 to 6:30. We discussed responsibilities and strategy for the event. All volunteers have received an invite for them and their families.
